

MASONRY TOOLS

ALUMINUM MORTAR HOD

There is no comparison between our hods and the flimsy hods you may find elsewhere! Climb ladders more safely by using our heavy duty Aluminum Mortar Hod. The durable and rustproof 6061-T6 tempered aluminum body is 24" x 12" x 1/8" thick and cleans up easily with water. The replaceable handle is 1-3/8" x 60" ash hardwood.

**HOLD UP TO
110 LBS OF MORTAR!**
