

THE CZAR WELD BULL FLOAT

Made from FORMED high strength tempered aluminum alloy, not extrusion, resulting in a longer wearing surface that resists warping better than an extruded float. Flared edges reduce lap marks. Features 6 hole Universal Mounting Plate so that you can attach any bracket.

SIZE: 48" x 8"

Flared edges
reduce lap
marks!

TYPE	PART NO.
No Bracket Included	CWT-248
Includes Rock-'Em Adjustable Bracket	CWT-24816R
Includes Threaded Handle Bracket	CWT-24816TH

TYPE	PART NO.
THREADED	CWT-16 TH

ROCK-'EM BULL FLOAT BRACKET

Adjust the angle of your bull float simply by turning the handle. The Rock-'Em fits all standard 2-hole and 4-hole bull floats and fresnos, and accepts all standard snap-lock handles. Eliminates back strain and makes low ceiling work possible. Made from rustproof aluminum. Hardware included.

Works with 1-3/8" and 1-3/4"
Snap Lock Handles
